Incorporating

2017 LA Open Worlds & 2018 HK Open Worlds

Bethwaite 360 is offering the opportunity to purchase a new Ovington 29er, complete with new sails, fibreglass foils, foilbag, top cover and trolley at 10% less than Ovington Export Price.

The offer is inclusive of shipping to LA and delivery to the Alamos Bay YC, host of the 2017 29er World Championships in time to compete at the pre-Worlds regatta scheduled from 26 July and then the Worlds from 29 July to 5 August 2017. This offer is conditional on the boats leaving the USA immediately after the 2017 World Championships. These 29ers will be on-shipped to Hong Kong to arrive in time to be delivered to Middle Island, HK the venue of the 2018 29er World Championships and pre-Worlds, by mid-December 2017. This offer does NOT include the shipping cost from Hong Kong to the home port.

For transparency, the cost has been split out between the cost of the boat and the cost of the shipping and logistics. This is based on a minimum order of 6 boats in a 40ft container.

PLEASE NOTE: the shipping prices may vary slightly from those quoted below, as these are not firm until the shipping is confirmed. All prices are in US currency.

- New, complete Ovington 29er US\$ 9,720.00
- Shipping, logistics and documentation (customs/duties), per boat. \$ 1,845.00

As well as the opportunity to buy a new boat, spares may also be purchased, at 10% less the Ovington Export Price.

To confirm purchase a 10% deposit is required by 15 March 2017, with full payment by the end of April 2017. Please fill in the attached order form and forward to Nicky Bethwaite at info@bethwaite3670.com for confirmation and banking details.
